

Insurance Policy

- We recommend contacting your insurance company to confirm Mountain Home Dental/Dr. Jared Sexauer is in network, and if not confirmed what your “out of network” benefits are.
- Our office is in network with: Delta Dental, Blue Cross, United Concordia, Metlife and, Cigna.
- Any prices or fees quoted to you are estimates.
- It is your responsibility to know your insurance policy and its limitations.
- We may accept assignment of insurance benefits after your first visit. However, we do require that you pay your co-payment and deductible.
- If your insurance company denies service for prior authorization or no referral on file, you are responsible for the timely payment of service.
- We cannot bill your insurance unless you give us your complete information. Your insurance policy is a contract between you and your carrier.
- If your insurance company has not paid your account in full within 60 days, the balance will automatically become your responsibility.
- We strive to make sure all charges are accounted for however the completed bill may differ from the estimate.

Dental insurance was not designed to pay for all dental care. We strive to maximize the amount of care covered by your insurance benefits; however, it is important to understand that treatment recommendations made by Dr. Jared Sexauer are based on your individual dental needs and not based on insurance coverage.
